Elemental Control (Energy/Force)

=====

Elemental Burst (Standard, Instant, Range: 10 spaces): The character makes a ranged attack against an enemy in line of sight. If the attack is a success, it inflicts regular damage. On a Fantastic success, the enemy takes double damage instead and becomes Blinded for 1 round.

Elemental Blast (Standard, Instant, Cost: 5+ Focus, Range: 10 spaces): The character makes a ranged attack with an edge at an enemy in line of sight. For this attack, add +1 to the character's Agility damage bonus for every 2 points of Focus they spend. On a success, an affected target takes that total damage. On a Fantastic success, an affected target takes double that total damage and has trouble on all actions for one round.

Weapons

=====

Knife (Range: Reach, Damage Multiplier Bonus: +1)

Weapons add a bonus to the user's damage multiplier. This does not stack with any other damage multiplier bonus, so don't add them together. Instead, use the greater of the two.
