Elemental Burst (Standard Action, Instant, Range: 10 spaces): The character makes a ranged attack against an enemy in line of sight. If the attack is a success, it inflicts regular damage. On a Fantastic success, the enemy takes double damage instead and is Paralyzed for one round.

Elemental Grab (Standard Action, Concentration, Cost: 5 Focus): The character makes an Ego attack against a target's Melee defense within 5 spaces times the character's rank. If the attack is a success, the character grabs the target with their element. On a Fantastic success, the target can also be pinned and is Paralyzed for one round. Breaking free requires a successful Melee check against target number 20.

HISTORY

Grew up in an evangelical Latino family in Arizona. When his X-gene expressed itself at 13, his family's pastor at River of God Church tried to pray it away, and when that didn't work, recommended the Sanctuary Hills Youth Reformation Campus in the desert. Hermes' parents voluntarily sent him.

He escaped the mutant conversion therapy camp with the assistance of X-FRONT four months prior.

Current age: 14

PERSONALITY

Hermes wakes up in the night terrified that he's going to be kidnapped again.

Goal: Moving past the trauma, and allowing that horribly experience to energize action, rather than paralyze.

Barrier: The feelings of loss are overwhelming. There is unprocessed grief and anger that cannot be accessed because the panic is overwhelming. Hard to appreciate what he does have.

Traits continued

Quick Learner [If the character fails an action check, they gain an edge on the check if they try the same action again on their next turn.]

Situation Awareness [The character is trained to always keep an eye out for trouble. They have an edge on initiative checks.]

Small [The character's size is small, which adds +1 to their Melee and Agility defenses and takes -1 from their Run Speed.]

Sneaky [The character has an edge on Agility checks when sneaking around. Enemies have trouble on Vigilance checks to detect the character when the character is invisible or hiding.]

Weakness (Psychic) [The character suffers an unusual amount of harm from certain substances. Any attack made with that substance ignores all inherent damage reduction the character has and cannot be healed by their Healing Factor.]
